Message from the Chair

Greetings from your Panel 67 trusted servants. We are excited to have our first assembly under our belts. For those of you who weren't able to come, Friday night guests were educated and entertained with a performance of the Traditions, delivered by host District 20 members. Saturday was filled with informative and educational workshops by our new Panel 67 Service Coordinators. A workshop about Service Sponsorship brought enlightening ideas on getting guidance for your service experience. And Saturday night we heard the story of our own Chet P., Southeast Regional Trustee.

Survey! If you were there in January, thank you for completing our survey – we had over 100 responses. We love and appreciate all your kind words of encouragement about our first efforts, but we look forward to working on your suggestions and comments that give us opportunities for improvement. Maybe you will see YOUR idea at a future assembly. The Service Sponsorship Workshop was well received and the “Saturday Highlights” were found to be helpful. Our Alternate Chair, Richard C. is working on a resolving a couple of concerns with the hotel. Yes, it does tend to be cold in most hotel meeting rooms, so be sure to bring a sweater or jacket. Luckily we have seven more assemblies for growing and learning together.

Be sure to review the updated smoking policy later in this newsletter.

You don't want to miss this! Although the official start time of Assembly is 9:00 AM Saturday morning – our Friday night host districts do a stellar job of providing a meaningful service meeting experience for those traveling from far-away places. Members needing or choosing to arrive on Friday night are treated to an 8:00 Service Meeting – such as the Traditions Skit presented in January. In April, Friday night Host District 4 will chair a meeting that sounds fun and educational. See more information elsewhere in this newsletter. If you arrive at assembly Friday, be sure your plans include attending this 8:00 PM meeting.

- See you in April!
Annette D., Chair

Coming in April

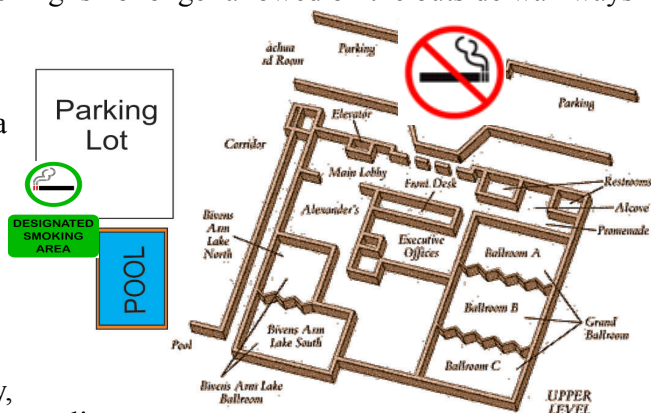

Grapevine, Public Information and Cooperation with the Professional Community all have agenda items regarding the use of social media to carry our message. Saturday at 10am there will be a panel focusing on Social Media, what are they, what do they do, and why would we want to know about them? (Carrying Our Message Into the Future workshop)

April always brings the exciting opportunity to hear about Agenda Items coming to the General Service Conference. Our Delegate and Panel members will be at the forefront with the most current information in their workshops throughout the day Saturday. At 4:30pm our Delegate is looking forward to hearing your thoughts and the voice of your groups on these matters.

No-Smoking Update

If you were at the January assembly, or have been able to review your minutes, you know that smoking is no longer allowed on the outside walkways into the hotel. The hotel has now advised us regarding the new policy on smoking. There will be a smoking area on the west side of the hotel. This smoking area is the only place where smoking is allowed on hotel property. This smoking area is the only place where smoking is allowed on hotel property, which has a 100% smoke-free policy.
